

Belong

Belong wherever you work

BISLEY

Belong

[verb] to have an affinity for a place or space.

Life may be unpredictable, but you can always count on Bisley. For over eighty years we've been quietly creating innovative products that meet the evolving needs of our working world.

We've a long history of designing exactly the right product for the right time, and now more than ever, the workspace is ripe for re-imagination. Whether you're at home or in the office, Belong by Bisley gives you flexibility – with hardworking, savvy solutions that don't compromise on style – so you can thrive, no matter your location.

As we all adopt more flexible working patterns and adapt our working environments, Belong creates a sanctuary wherever you are, so you can focus and stay on top of your workload in comfort. When your place of work shifts from day to day, having a dependable, personal space maintains a sense of connection – wherever they're placed and however they're used, Belong always performs.

MultiDesk

Perfect for smaller spaces, the MultiDesk brings you all the benefits of the iconic MultiDrawer, transformed into a multi-functional desk, so that you can stay organised while working comfortably and maximising space within the home or office.

Build your own MultiDesk with a 'multi-tude' of options to suit any space, whether you already have a MultiDrawer or you're looking to buy one. Elevate an existing 29 Series MultiDrawer by adding a desk top, and choose from steel hairpin or wooden legs. Or, buy a top for two MultiDrawers to revamp your existing storage into a stylish & chic working desk*.

wherever you are.

Hideaway

Hideaway Wall

We understand that multi-functional spaces need clever, thoughtful furniture solutions. When space is at a premium, the Hideaway Wall allows you to work when needed and then discreetly fold your whole set-up away when you're finished.

Hideaway Desk – coming soon

Maximise functionality, no matter your space. The beautifully crafted Hideaway Desk allows you to seamlessly move back and forth between work and home, without ever changing location.

Hideaway Wall

A modern redesign of the traditional bureau, Hideaway's wall mounted desk can fold down or be folded away depending on your needs. With a steel finished back panel in the colour of your choice, Bisley's range of accessories can also hook on to the back panel to further maximise your storage and organisational options.

Hideaway Desk

Hardworking for all your needs, Bisley's Hideaway Desk moves out at 90 degrees to form a desk so you can work, rest and store throughout the day. And, when you're finished, it transforms back into a sleek and stylish sideboard. The Hideaway Desk provides flexible and clever storage that's as agile as you are.

Designer's sketch represents the planned appearance of the Hideaway Desk.

Shadow

Be productive, everywhere you go.

Shadow by Bisley brings you open mobile storage that can follow you around wherever you go. There's no need to rummage through your belongings – Shadow ensures everything you need is easy to reach, right next to you, wherever you are.

Open storage that is as hard-wearing as what you have come to expect from Bisley. Shadow's steel body and sturdy wooden front make it the perfect storage solution to transport your belongings throughout your workspace, and its slim design means it can be discreetly tucked away at the end of the day.
